Time : 09:00 - 17:30 CET

Venue : Vasagatan 14, 111 20 Stockholm — Board Room 4 / Teams hybrid

Present : A. Lindqvist (Chair), M. Holmberg (Vice-Chair), A. Solberg (CEO), G. Bratt (CFO), L. Eriksson (CRO), I. Karlsson, D. Mortenssen, S. Sundberg, K. Lindholm (employee director), E. Hansen (member director, dialed in).

In attendance : M. Wickström (General Counsel & Secretary); H. Carlén (Head of Compliance, items 4 & 5 only); R. Petterson (PwC, item 7 only).

1. Apologies for absence

None.

2. Conflicts of interest

D. Mortenssen disclosed that his spouse remains a non-executive director of Vorden Aluminium AS. Noted. No specific item engaging that interest is on today's agenda.

3. Approval of Q3 2025 minutes

Approved unanimously, subject to one drafting correction in item 6 (S. Sundberg).

4. CEO report (A. Solberg)

- Member base 412,118 (+1.8% QoQ; net 7,234 added).
- Q4 unaudited NII SEK 1.41 B (+4.1% QoQ); cost-to-income ratio 51.2%.
- Two material operational events: (i) the SEPA Instant outage 2025-11-29 (8.5 hrs, PagerDuty playbook PD-11 followed correctly; root cause: vendor-side certificate expiry at Sentinex IAM, which provides our partner-bank federated SSO — vendor has confirmed remediation by 2025-12-31); (ii) ransomware attempt on the legacy onboarding portal 2025-12-02, contained by Defender XDR within 4 minutes.

5. Compliance / AML update (H. Carlén)

- The Board notes receipt of Finansinspektionen's letter dated 2025-12-04 (FI ref. 2025-094-NSB) requesting documentation on transaction monitoring lag during the November 2025 fail-over. Response is due by 2026-01-31.
- Outside counsel (Mannheimer Swartling) retained to assist with the response.

- General Counsel (M. Wickström) was instructed to coordinate with the Risk Committee a parallel scoping of the FI's likely follow-on questions on the AML rules-engine fail-over governance. Owner: M. Wickström; due: 2026-01-15.
- The Chair stated for the minutes that the Board treats this inquiry as a Sev-1 governance matter, and that all written communication with FI shall be reviewed by the Audit Committee chair (I. Karlsson) prior to despatch.
- RESOLVED: A confidential 'transaction monitoring uplift' workstream is approved, budget SEK 18.0 M for FY2026, accountability to the Risk Committee.

6. Risk Committee report (L. Eriksson)

- Credit losses Q4 forecast SEK 41 M (within plan).
- Operational risk events Q4: 7 (1 high, 4 medium, 2 low) — see Appendix R-1.
- Cyber posture rated 'Amber' (vs Green Q3), driven by the SEPA Instant incident and the heightened threat environment in the Nordics.

7. External auditor (R. Petterson, PwC)

- No matters requiring board attention beyond the AML monitoring item already discussed under §5. PwC has flagged the Sentinex IAM dependency as a key audit matter for FY2025 (see PwC's 'matters arising' file 2025-NSB-12).

8. People & culture

- 2026 bonus pool sized at SEK 92 M (vs SEK 88 M FY2024).
- 2026 cap-table grants for senior leadership team approved per Remuneration Committee recommendation (Appendix P-1, sealed envelope distributed).

9. AOB

- The Chair noted that 2026-01-13 is the deadline for the cooperative members' consultative ballot on the proposed by-law amendments (Article 14, governance).
- Next ordinary meeting: 2026-02-11 09:00 CET, Vasagatan 14.

There being no further business, the Chair declared the meeting closed at 17:30.
